4-H Club Objectives

1. Acquire knowledge, skills and attitudes for a satisfying home life.
2. Enjoy a useful work experience, together with the responsibility and satisfaction of a personal accomplishment.
3. Understand rights and duties of a citizen in democratic society.
4. Appreciate the values of research and learn scientific methods of making decisions and solving problems.
5. Recognize the importance of scientific agriculture and home economics and their relationship to our total economy.
6. Explore career opportunities.
7. Cultivate healthful living, purposeful recreation and intelligent use of leisure time.
8. Strengthen personal standards and values.
9. Develop the ability to work well with others.

All that is done in the 4-H program should be directed toward achieving one or more of these objectives.
