

Division J-25 - Working Exhibit

Thursday

9:00 a.m.

1. Working Exhibits provide an opportunity for members to communicate and interact with the audience in an informal way. The subject should be appropriate and an outgrowth of the member's 4-H experience.
2. Many stages of the exhibit or product should be ready so that any step can be discussed. The best subjects involve action by the members or involve the audience in some doing, feeling, tasting, smelling or judging.
3. County working exhibits will be scheduled for 30 minutes. State Fair working exhibits will be scheduled for 45 minutes for Intermediates and Seniors. Juniors will be scheduled for 25 minutes.
4. Presenters are expected to comply with all copyright/trademark regulations. Copyrighted material may not be distributed without permission.
5. The composition of the presenters can be any combination of eligible Junior, Intermediate, and Senior 4-H'er. A team consisting of youth that are of mixed ages must be entered in the class of the oldest team member.
6. Participants will receive a scheduled time to present their working exhibit.
7. All methods used should be safe for involvement by audiences of all ages.
8. 4-H'ers doing working exhibits that involve food must be concerned for the safety of the food they are using. 4-H'ers should use sanitary and safe procedures and methods at all times. This is tremendously important if samples are available to the viewing public.
9. Appropriate storage of the food items and the sanitary handling of the food must be demonstrated by the 4-H'ers. Plastic gloves and hair nets are just a couple items that should be considered and used as appropriate.
