3. **Entries for the Open Class Farm & Garden and Orchard must be made at the Fair Board Office on the Fairgrounds on Wednesday, from 2 p.m. to 7 p.m. and must be in place by 7 p.m. on Wednesday.** No entries can be made other than at this time.
4. **Entries in Open Class Textiles and Fabrics, Open Class Hobbies, and Open Class Art Exhibits must be made at the Fair Board Office on the Fairgrounds on Wednesday, from 2 p.m. to 7 p.m. and must be in place by 7 p.m. on Wednesday.**
5. **Entries for Open Class Plants and Flowers and Food and Nutrition must be made at the Fair Board Office on the Fairgrounds on Wednesday, from 2 p.m. to 7 p.m.** No entries can be made other than at this time; however, exhibitors in Open Class Plants & Flowers and Food and Nutrition are allowed the privilege of bringing their specimens, plants, flowers, baked items on Thursday morning until 10 a.m. All Plants and Flowers exhibits, and Food and Nutrition exhibits must be in place by 10 a.m., as the judging will begin at that time.
6. Entries in the 4-H Club Department are to be made by 5 p.m. on June 15 through the online 4-H Fair Entry System. FFA entries are also to be made by this same date and time by calling the Harrison County Extension Office at 712-644-2105. FFA entries cannot be made through the 4-H FairEntry system.
7. All open class articles must be marked with a card which will be furnished by the Open Class Department designating the class and number.
8. Every article or animal exhibited upon the grounds shall be under the control of the Board of Directors during the fair and while every precaution will be taken for safekeeping of the same, the Board will in no case be responsible for any loss or damages.
9. Exhibitors will be provided with appropriate entry tags for articles or animals. The Superintendent of the department and Extension staff will assign them to a place.
10. All animals must be exhibited in such places and at such times as the Superintendent and Extension staff in charge shall direct and in accord with the official program.
11. The Fair Board and Extension staff will exclude any objects that are inappropriate fair display from the grounds.
12. Entries made where the premium is to be paid to a society must be made in the name of that society.

Release of Exhibits

13. All competitive open class exhibits must be in place and remain until the prescribed times as recorded for the department entered.
14. Exhibitors in department where entry tags are used must present entry tag receipt for the return of their exhibit to the superintendent or the assistants of the department in which the articles were shown. Under no circumstances will the exhibitor be permitted access to display cases or space when exhibits are shown.
15. All exhibits will be under the charge of the department where they are entered and cannot be removed, boxed, sacked, or wrapped for removal until released by the Superintendent.
16. **All premiums will be withheld by the fairboard for any noncompliance.**
17. All Open Class exhibits will be released on Sunday from 5:00 p.m. to 8:00 p.m. and may not be removed from the premises before that time.

Awards

1. Awards will be assigned by judges, engaged by the executive committee. In the case of a judge failing to appear, judging will be done by a committee appointed by the Fair Board.

2. Purple or Blue Ribbons shall indicate first premium; red ribbons, second; and white ribbons, third. Committees on awards shall consist of three persons except in classes where expert judges are especially provided.
3. Committees of judges will be careful to affix badges denoting premiums as they make their awards; especially being careful that the badges and reports agree. Ribbons will not be placed on articles unless they are reported in the class book.
4. Great care must be taken to preserve the awarding committee's books, and awards must be entered in a plain and legible manner, with the reason for the award in the proper place; the premium will be paid on the authority of these only.
5. Exhibitors must have no communication with the judges engaged in making the awards. Any person attempting to interfere with the judges in the adjudication will be immediately excluded from the competition. This communication ban, however, must be interpreted to mean that the judges cannot explain the reasons for their award, and it is especially requested that all judges in as far as possible carry on the educational work, as that is important. This communication restriction does not apply to 4-H conference judging.
6. Unless otherwise directed by the Superintendent, no prize award will be made unless the animal is removed from its stall and exhibited in the show ring with tag and exhibit number attached. Animals not exhibited when called to the ring will be scratched from competition.
7. The Fair Board will pay cash premiums (pro rata) contingent upon receipts; then as much of the remainder as is required will be appropriated to the payment of the premiums as herewith published.
8. Where premiums other than those offered by the fair association are offered, the payment is contingent upon the fulfillments of any restrictions placed by the organizations offering them.
9. In all cases of championship awards, ribbons will be given.
10. If a judge decides that no entry merits awarding a blue or purple ribbon, only red or white ribbons may be awarded.

2024 Creasman Canning Award

Harrison County has a history of good preservers. Canning requires an understanding of picking your fruits and vegetables at their peak, then preparing, packing your jar and processing it correctly. This is seen as an art and the finished product lives up to Greg Brown's song lyric "Summer in a Jar."

A special prize will be given to the following categories of canning: Best of Spreads; Best of Pickling; Best of Fruits or Vegetables.

The above prize will be provided by Jan Creasman and is in addition to ribbon and award provided by the Harrison County Fair Association.

The recipient will be a blue ribbon winner that has been judged during regular judging of all canning products on Thursday during fair. All items that are entered on Wednesday entry day in open class are eligible.
